Neubau • Reparatur • Restaurierung

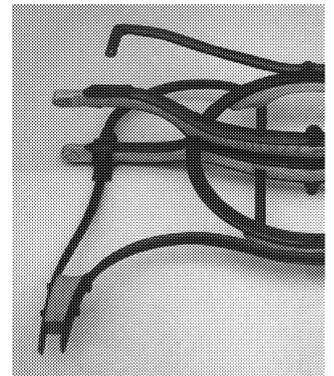

Kutschen und Schlitten

für Sammler und Freizeit

Eigene Schmiede

Wagentapeziererei

Handpinsellackiererei

1/2004

***B**ei Herausgabe dieses Musterheftes möchte ich mich gleichzeitig bei allen Kunden für das entgegengebrachte Vertrauen bedanken.*

Das stetige Zunehmen der Einzelteile hat die Herausgabe eines Musterheftes schon längst notwendig gemacht; daß dies nicht eher geschehen ist, hat seinen Grund in der Schwierigkeit der Ausarbeitung, andernteils liegt es daran, daß in der Tat die dazu nötige Zeit und Muße gefehlt haben.

Auf Vollständigkeit soll und kann das nun vorliegende Heft jedoch keinen Anspruch erheben.

Ich bin jedoch bemüht, das Musterheft laufend zu erweitern und zu vervollständigen !

Ich hoffe, daß Sie dasselbe recht oft zur Hand nehmen und es dadurch zu häufigen Erteilung von Aufträgen Anlaß gibt.

Abschließend möchte ich, um alle Mißverständnisse aus dem Weg zu räumen, klarstellen, daß ich kein "Versandhaus" von Kutschenteilen bin, sondern ein Handwerksbetrieb, der diese Artikel hat, oder fertigen kann!

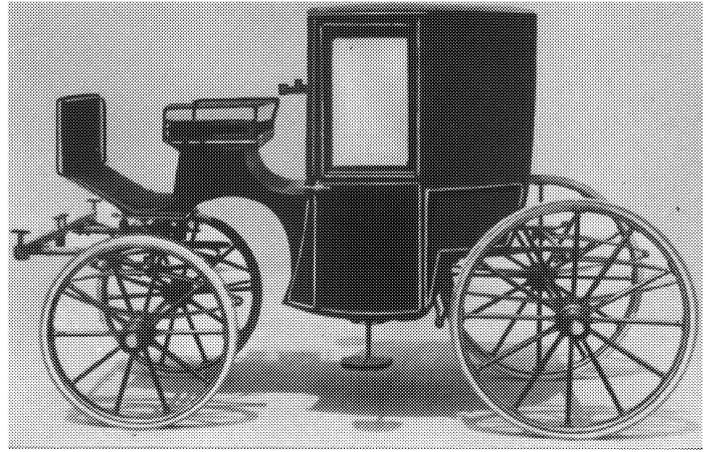

Ich freue mich auf Ihre Anfragen.

Wien, Oberlaa, Juni 2004
